Création d'une entreprise productrice de champs pétrolifères

Produisant un champ pétrolifère situé dans la région de Mangystau au Kazakhstan, la Société détient des droits d'utilisation du sous-sol pour l'exploration et la production de pétrole brut et de condensat de gaz dans la région de Mangystau au Kazakhstan.

Les champs pétrolifères voisins comprennent Tengiz, Kashagan, Kalamkas, Karazhanbas, Buzachi et d'autres.

Champ pétrolifère relativement jeune, la production a débuté en 2006 avec des termes de licence permettant à la Société de produire jusqu'en 2031 avec un droit privilégié de prolonger le contrat.

Points clés

- La proximité des principaux oléoducs et gazoducs offre plusieurs itinéraires d'exportation alternatifs et des avantages en termes de coûts de transport ;
- Province riche en pétrole respectée avec de grandes perspectives de réserves de pétrole et de gaz ;
- Gisements terrestres et gréseux ;
- La dévaluation des devises a fait baisser les salaires et autres dépenses locales ;
- Exploitation longue durée (30 ans) avec droit privilégié de prolongation ;
- L'investissement dans une société productrice générant des flux de trésorerie stables pourrait devenir une bonne plate-forme pour une expansion future dans la région ;

Aperçu des actifs

- Le stock total de puits (128) comprend 104 puits producteurs, 2 puits de surveillance, 2 puits injecteurs, 20 puits suspendus. La profondeur moyenne des puits producteurs est d'env. 450-585 mètres ;
- Le champ pétrolifère comprend des réservoirs clastiques multi-empilés d'âges crétacé et jurassique ;

Statut actuel

- Réserves estimées selon les règles SPE PRMS1P+2P égales à 6,95 millions de tonnes ;
- Récemment, la Société a effectué l'interprétation des données de terrain et a fait développer les modèles 3D suivants : modèle sismique 3D ; modèle de réservoir 3D ; Modèle pétrophysique 3D.

Infrastructures de terrain

- Ligne électrique à haute tension d'une longueur de 4 200 m et générateurs diesel de secours d'une capacité de 150 kW et 260 kW ;
- Réservoirs de stockage d'huile (2 unités de 1 000 mètres cubes chacune) et unité de préparation d'huile avec oléoduc relié au système national de transport d'huile de KTO ;

- Réservoirs de stockage d'eau douce (2 unités de 500 mètres cubes chacune) et système de maintien de la pression du réservoir, y compris le système d'alimentation en eau douce.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
