Technologie africaine tout-en-un de financement des entreprises pour les PME

La société a été lancée pour fournir un compte bancaire aux entreprises afin qu'elles puissent fournir des services bancaires. Le service s'est étendu au-delà des comptes bancaires et des paiements en fournissant des services financiers inclusifs permettant aux entreprises d'accéder à des prêts pour se développer plus rapidement. Le service assure la gestion des opérations bancaires, des paiements, des flux de trésorerie et des dépenses, ce qui aide les entreprises à économiser du temps et de l'argent et à se développer plus rapidement.

L'entreprise s'est étendue au-delà des comptes bancaires et des paiements en fournissant des services financiers inclusifs permettant aux entreprises d'accéder à des prêts pour se développer plus rapidement.

Le service API a évolué vers un produit « Finance as a Service » qui permet aux entreprises de proposer facilement des produits de services financiers à leurs clients. Apprentissage clé : Il était très difficile et coûteux pour les entreprises, en particulier pour les nouveaux propriétaires d'entreprise, de créer un produit.

La société s'est étendue au-delà d'une simple plateforme bancaire pour devenir une solution de financement d'entreprise tout-en-un destinée aux entreprises des marchés émergents. Apprentissage clé : 3 000 entreprises inscrites et une communauté prospère
