Un projet d'exploitation minière polymétallique d'importance historique en Autriche est disponible pour acquisition. Ce site minier à grande échelle a une histoire de plus de 500 ans de production, se classant autrefois parmi les mines de cuivre les plus productives de la région. Avec des réserves de minerai historiquement prouvées, des résidus de valeur et un important potentiel de profondeur inexploré, ce projet présente une opportunité de revenus élevés pour les investisseurs miniers modernes.

Principaux éléments du projet

- Gisements historiquement prouvés :
 - Ancienne mine de cuivre parmi les plus productives de la région.
 - Quantité de minerai restante estimée à environ 870 000 tonnes, d'une valeur marchande calculée supérieure à 350 millions d'euros.
- Composition des ressources de grande valeur :
 - La composition historique moyenne du minerai (1900-1958) comprend :
 - 1,53% Cuivre (Cu)
 - 2,10 % Plomb (Pb)
 - 2,75 % Zinc (Zn)
 - 31,84% Soufre (S)
 - 30,60% Fer (Fe)
 - 0,4 – 1,25 g/t d'or (Au)
 - 30 – 225 g/t Argent (Ag)
 - Riche en matières premières critiques classées par l'UE, notamment le cobalt (Co), l'indium (In), l'antimoine (Sb), le bismuth (Bi) et l'arsenic (As).
- Résidus existants présentant une valeur ajoutée :
 - 575 000 tonnes de résidus précieux contenant des métaux précieux et non ferreux d'une valeur comprise entre 50 et 100 millions d'euros.
- Un potentiel de profondeur inexploré :
 - Aucune exploration moderne, aucun forage au diamant ni aucune étude géologique avancée n'ont été réalisés.
 - Forte probabilité de réserves de minerai plus profondes et inexploitées.

Atouts concurrentiels :

- Riches gisements polymétalliques dont la faisabilité économique est établie.
- Une infrastructure solide soutenant une logistique efficace.
- Juridiction favorable avec des réglementations favorables à l'exploitation minière.
- Matières premières critiques désignées par l'UE, ce qui accroît la demande du marché.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
